Vier gravierende Streckenänderungen gab es in der Geschichte des BMW BERLIN-MARATHON: Bis 1980 fand das Rennen am Grunewald statt, von 1981 bis 1989 wurde durch die City von West-Berlin gelaufen, zwischen 1990 und 2002 führte das Rennen auch durch den Ostteil der Stadt, seit 2003 ist das Ziel am Brandenburger Tor.

There were four major course changes in the history of the BMW BERLIN-MARATHON: The race was run besides West Berlin's forest Grunewald until 1980, then it took place on the streets of West Berlin from 1981 to 1989. From 1990 until 2002 a section led the runners through the eastern part Berlin, while the finish was moved to Brandenburg Gate in 2003.
